

## A wobbly walk!

Users are able to increase the level of risk by pushing their weight each end of the swing with greater force. The swing helps users to develop a sense of rhythm and movement. The standing rope swing provides a social place because children work as a team. Children are able to compete in performance of movement! This allows children to enjoy a healthy taste of competition.

## Specifications

Code: FS65

Age range: 2-12 Years

Max fall height: 1500mm

Minimum fall zone: 48.3m<sup>2</sup>

Equipment size: 5200mm x 2050mm

Max equipment height: 3400mm
